Online Registration Instructions

You are considered a Renewing Member if you have ever been registered in Badger Region. If you were registered in another USA Volleyball Region last season, please email the Badger Region at membership@badgervolleyball.org as your region affiliation will need to be switched. You may then follow these instructions.

Step #1

Click on this link: <https://webpoint.usavolleyball.org/wp15/IntraLock/Login.asp>.

This will take you directly to the USAV Webpoint website login pictured in Step #2.

Step #2

If you already have and know your username and password, proceed to Step #5. If you need to “Request a Login” because you are coming from a Region that did not use Webpoint, click on the “Request A Login” and fill out the information requested.

Step #3

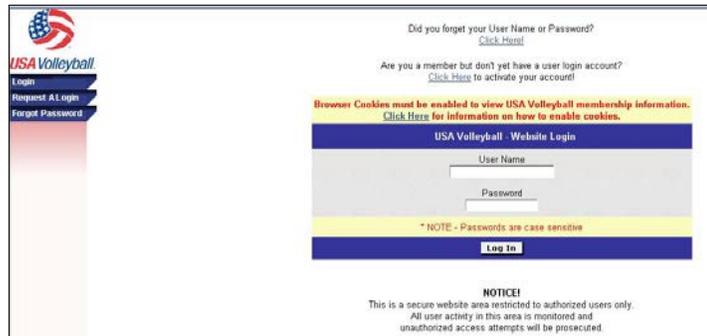

If you were registered last season but cannot remember your username and/or password, click **Forgot Password**. It will bring up this screen. Enter the current information of the member, regardless of what email address you originally registered with. The new username and password will be emailed to the address you indicate after you click **Submit**.

Please check your email's Spam folder prior to emailing the Region or USA Volleyball that this email was not received. Proceed to Step #5.

Step #4

The 2009-10 season was the first season that Badger Region used this online registration process. If you were a member prior to that, you do not have a username and password. To get one, click

Step #6

Click the **Renew Online** button on the left side of the screen, or click the **HERE** area in the blue header area.

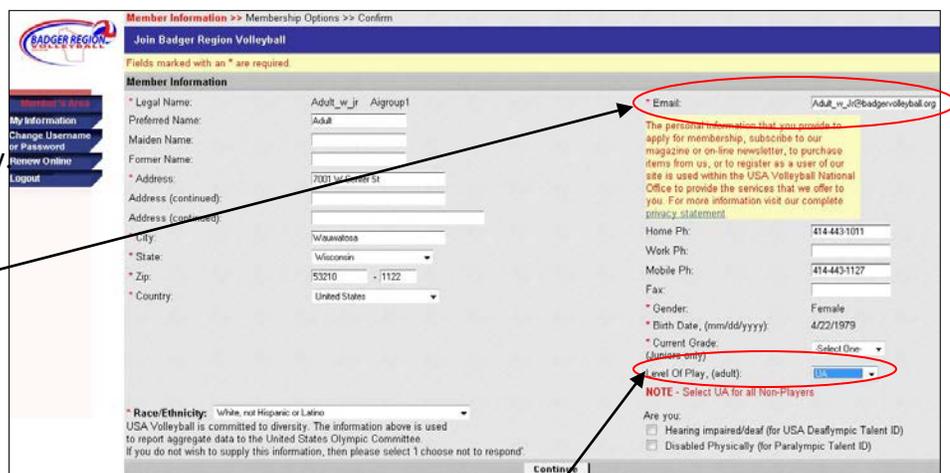

This will bring up the next screen with the member's information already in the fields.

Step #7

Verify that the information is correct and update if necessary

Make sure the email address is still current. All correspondence will be sent to that email address along with confirmation information.

If registering as a junior player, you do not need to select a Level of Play, your age will do that for you. If registering as an adult player, select Level of Play. If registering as an adult coach, official, etc., select UA as Level of Play. Click **Continue**.

Step #8

At this time, please choose **UNDECIDED** for club. As long as you select **UNDECIDED**, you may login again later and update to the club that you will be affiliated with.

NOTE: Once you choose a club affiliation in Webpoint, you

cannot change this yourself, you will need to contact the Region Office to make changes.

Choose your membership type (for explanations/benefits, please visit www.badgervolleyball.org). You will need a full regular membership to play or participate with a junior club team, collegiate team or officiate.

For junior players, fill out the Parent/Guardian information. You do not need to select coaching or officiating roles unless interested. Then click **Submit**.

Adults, please pick a role(s) that you will also be participating in. You may pick as many roles as apply. You will see this screen:

Coaches

Adult Players/Coaches ONLY (no junior involvement)

Officials for Junior Tournaments

Juniors Tournament Directors
Click **Submit** when finished.

Step #9 (Adults Only)

If you have a current and clear background check through USAV, this screen will not be displayed and you may skip to Step #10.

You must complete this Background Screening form to be involved with Junior Program activities.

Be sure to fill out your SSN and answer all questions.

Read the release and then click the box by the red text.

This is accepted as your electronic signature to allow us to proceed with your background screening. The process will not begin until your application for membership is complete and the region has received the correct payment. If you choose to skip the Background Screening, your membership based on Junior Affiliation will not be accepted and you will not be able to participate in any sanctioned event.

Click Continue and Process Background Screening.

This box will pop up.

You will have \$18.00 added to your membership fees to cover the cost of this screening.

Click OK.

The screenshot shows a 'BACKGROUND SCREENING RELEASE' form. At the top, there is a checked checkbox: I have read and understand this agreement in its entirety. I unconditionally accept the terms and conditions herein, including but not limited to the authorization and disqualifier language specified in the agreement. Below this, the form contains text regarding the release of liability and authorization for background screening. A 'PLEASE NOTE' dialog box from Windows Internet Explorer is overlaid on the form, containing the text: 'PLEASE NOTE: An additional background screening fee may apply.' with 'OK' and 'Cancel' buttons. At the bottom of the form, there is a button labeled 'Continue and Process Background Screening'. The form also includes fields for Name: 'Adult_w_jr Aigroup1' and Date: '8/30/2010'.

Step #10

Check this screen for accuracy of information and make any changes to the Membership information by clicking **edit**.

You may choose to make a special donation to the National Teams & High Performance programs by checking the box and your total due will be adjusted accordingly.

If you are not an official, do not check the box for [Extended Official's Insurance](#), it will delay your membership.

Check the boxes for the type of correspondence you would like to receive from USA Volleyball. If you are also an official, please check the "Interested in Officiating For Pay" check box.

The screenshot shows the 'Badger Region Volleyball' membership confirmation page. The page title is 'Join Badger Region Volleyball'. Below the title, there is a section for 'Membership Information' with an 'edit' button. The membership details are as follows:

Membership Type:	Badger Adult Regular Membership 2010-2011
Membership Dates:	8/30/2010 - 10/31/2010
Membership Price:	\$50.00
Badger Region Background Screening:	\$18.00
<input type="checkbox"/> High Performance Donation, (\$5.00)	
<input type="checkbox"/> Extended Official's Insurance, (\$6.85)	
Total Amount Due:	\$68.00

Below the membership information, there is a section for 'Member Information' with an 'edit' button. This section contains personal information such as Legal Name, Preferred Name, Address, City, State, Zip, Country, Email, Home Ph, Work Ph, Mobile Ph, Fax, Gender, Birth Date, Current Grade, and Level Of Play. There is also a section for 'Correspondence Information' with several checkboxes for selecting the type of communications to receive. A yellow highlight is present on the page, stating: 'The personal information that you provide to apply for membership, subscribe to our magazine or on-line newsletter, to purchase items from us, or to register as a user of our site is used within the USA Volleyball National Office to provide the services that we offer to you. For more information visit our complete privacy statement.'

Step #11

The next piece of the page allows you to select your form of payment.

We strongly suggest that you pay your fees directly by credit card which will allow you to complete your membership today.

Payment Information

Pay now via Credit Card Submit payment separately, per Region policy.

* Credit Card Type: VISA

* Credit Card Number: 4000-4567-8901-2345

* Security Code (Locate): 123

* Expiration: 01 / 2011

* Name On Credit Card: Badger Aigroup1

If you cannot pay by credit card, you can pay by cash or check for an additional \$5. You must click **Submit payment separately, per Region policy** and follow the instructions at the end of this document. Your membership will not be complete and your background screen (if required) will not be processed until payment is received. This could delay your membership for a week or more, during which time no contact at USAV sanctioned events (tryouts, practices) is allowed. Adults who choose this option, please be aware that your background screen (if required) will not be submitted for application until this payment is received and processed by the Badger Region office. Once submitted by the Badger Region office to the background screening company, this process takes up to five business days to complete. There is no “rushing” a screen. Please plan accordingly.

Step #12

The last part of this page is a very important part of the registration process. You will be accepting the terms of membership with electronic signatures. If registering a junior player, a parent or guardian will be providing information, as well as accepting the terms of membership on behalf of their child or legal ward.

Click on the blue [USAV Waiver & Release of Liability](#). A box will open so that it can be read.

Check the box under [USAV Waiver & Release of Liability](#) to acknowledge agreement to the waiver after you have read it.
